**MEAGAN TAYLOR,
CHET ATKINS NIECE,
JOINS Jason Coleman's Tribute
to Floyd Cramer on
OCTOBER 9 & 10, 2019
to present
NASHVILLE LEGACY**

In this concert, Jason and Meagan bring new life to the "Nashville Sound," originally pioneered by their forerunners, Floyd Cramer and Chet Atkins. Jason performs songs like Floyd's "Last Date" on piano and Meagan shines, performing Chet's "Freight Train" on guitar, as they both sing the music of Patsy Cline, the Everly Brothers and Elvis Presley, all of whose careers were impacted by Floyd and Chet.

Though Floyd Cramer and Chet Atkins have passed away, their "Nashville Legacy" lives on through Floyd's grandson, pianist Jason Coleman and Chet's niece, guitarist Meagan Taylor.

Jason and Meagan's heartwarming concert with rock, pop and country music, will transport you back to the fabulous 50's and 60's...TRULY, MUSIC WITH SOUL!
